MEMBERSHIP EXPLAINED

FSA fan group membership is split into two categories - affiliate members (five votes at our AGM) and associate members (one vote at our AGM).

To be an **FSA Affiliate** your organisation must:

- Have a written constitution;
- Be open to all supporters of your club (free of charge or affordable fee);
- Be independent of the club (unless your supporters' trust owns the club);
- Base its democratic and decision making structure on one member, one vote;
- Elect its governing committee at a general meeting, postal, or online vote;
- Publish accounts which are audited, certified or approved by membership;
- Maintain up-to-date records of membership;
- Adopt a meaningful diversity policy;
- Hold your decision making meetings in England or Wales.

FSA Associates do not have to fulfil the above criteria although they must still abide by the FSA Constitution and support the FSA Mission Statement. FSA Associates include non-democratic fan groups, travel clubs and fanzines. By becoming a member of the FSA you agree to support the objectives of the FSA as defined in clause two of the FSA constitution. To see the constitution email info@thefsa.org.uk or download via: bit.ly/fsa-constitution

On behalf of my organisation I would like to apply for:

Affiliate membership

Associate membership

FSA Mission Statement: *The FSA is an inclusive, independent, democratic organisation working with supporters, governing bodies, leagues and clubs to drive positive change in football through supporter engagement at every level of the game. We nurture and develop supporter networks at local, national and international levels, working with supporters' trusts, clubs and individuals to initiate and support campaigns on issues of concern to football supporters, encouraging good governance, supporter representation on club boards, community-ownership and sustainable stewardship of football clubs. A commitment to diversity underpins all our activity and we oppose all forms of discrimination or violence in relation to football.*

Individual membership: Individuals can also join the FSA; this is free to do and entitles them to one vote at our AGM. The process for individual membership is slightly different, but we would encourage all our affiliates and associates to promote such membership to their own audience. More information: www.thefsa.org.uk/join

FSA structure: You can learn more about our structure via the FSA Annual Review 2019-20 which incorporates all forms of membership into our National Council which also elects our governing Board. See page 6: [fsa-annual-report-2020-single-pages-web.pdf \(thefsa.org.uk\)](https://www.thefsa.org.uk/fsa-annual-report-2020-single-pages-web.pdf)
