

ASSOCIATE MEMBER TIER – ELECTION STATEMENTS 2021

TRACY BROWN – CHELSEA PRIDE

My name is Tracy Brown and I am Chair of Chelsea Pride. The LGBTQ+ supporters' group for Chelsea FC. I'm also Special Projects officer for The Rainbow Wall. Welsh international LGBTQ+ supporters' group. I sit on the committee of Pride in Football and,, not football related but I am the LGBTQ+ rep on the guidance council for the CSA.

My passion is to create a game where everyone feels welcome. To be a voice for diversity and change. To protect fans rights with better governance. I believe to promote change you need to be part of that change, not just in football but all sports. For this purpose, I put myself forward for this role.

ALLY SIMCOCK – A PINT OF VALE

I have been part of the FSA NC for 4 terms now and the board for 2 terms and am very eager to continue this work. During my tenure, I have been our representative on the fixtures working party and was a co-opted board member on the previous Supporters Direct board. I have been proud to be part of a group of members selected to take part in structured dialogue meetings with the EFL, most recently in a meeting with the new Secretary of State Nadine Dorries and in various other meetings where we have stood together to put our collective views forward. I have also been a regular member of the England fan embassy team supporting England fans abroad.

Previously, I chaired the PVFC Supporters' Club for five years and volunteered as the club SLO. I am currently supporting with the FSA's 'Women in football' campaign, which is due to be aired on sky sports news over the next week.

In summary, I'm a passionate football fan, who believes in standing up to be counted.
