INTRODUCTION

Welcome to the first FA WNL Supporters Guide, brought to you by the FSA and The FA.

We are really excited to bring you this guide covering the FA WNL, giving current and future supporters the chance to see what each club offers and whether there's a group to join at your club.

The FA WNL is a hugely important set of divisions in the women's football pyramid and this guide aims to make life easier for supporters.

Given it is the first Guide to be produced, there might be a few bits of missing information, however, the FA and FSA are using this as an opportunity to learn what further information is needed and to engage clubs and supporters groups in order to develop that content.

We hope you enjoy reading the document and we look forward to developing it in seasons to come.

This guide would not have been possible without our partnership with the University Campus of Football Business (UCFB) via Oli Moore's leadership and the help of the following students: Phillipa Smith, Aron Patel, Sophie Cooper, Megan Harvey-Smith, Bethany Simpson, Callum Amos, Alice Barrow, Lewis Hughes, Rachel Magill, Deen Mirza, Owen Williams, Daniel Golding, Harry Newman, Amarveer Takhar, Harry Nugent, Megan Chapman, Tara Delahoyde, Aleksandra Lesniowska, Finlay Owles, Madie Bailey, Emily Williams.

SUPPORTERS QUOTE

"THE FA WNL IS SO IMPORTANT IN THE GROWTH OF WOMEN'S FOOTBALL. WITHOUT THE FA WNL TIERS 3 & 4 WOULDN'T BE WHAT THEY ARE. SEEING THE GROWTH IN ATTENDANCES OVER THE PAST FEW SEASONS HAS BEEN INCREDIBLE AND THIS IS IN NO SMALL PART TO THE WORK DONE WITHIN THE FA WNL."

Nicol Nicholls
Co-Founder, Norwich City Women's Supporters Club

OUR PURPOSE IS...

INSPIRING POSITIVE CHANGE

OUR VISION IS...

To continue to be the heartbeat of women's football, enabling clubs to be the best they can be on and off the pitch through the development of players, workforce, and infrastructure.

The FA Women's National League (FA WNL) comprises six football divisions which sit at Tiers 3 and 4 of the Women's Football Pyramid, below the Barclays Women's Super League (Tier 1) and the Barclay's Women's Championship (Tier 2). Each division contains 12 teams. Teams also compete in two league cup competitions: The FA WNL Cup and The FA WNL Plate Competition.

Alongside the first-team competitions, the FA WNL also has a reserve team section, with 4 reserve divisions and reserve cup/plate competitions.

In all divisions, teams play home and away fixtures. One team gets promoted from both Premier divisions (Tier 3) into the Women's Championship with two relegated into Tier 4. The four divisions in Tier 4 each promote one club per season.

FOOTBALL SUPPORTERS' ASSOCIATION

STRONGER TOGETHER: SUPPORTERS AT THE HEART OF THE GAME

OUR MISSION IS TO:

- To develop women's football as a whole.
- To ensure supporters are represented in key decision making processes within the women's game.
- To push for positive change, change narratives and give women's football the profile it deserves.

To do this we work with our supporters groups which make up the FSA Women's Game Network. Our member groups are always supporting the development of the game, but what does that mean in the real world?

NATIONAL

- The Network was established in August 2019 and formally constituted into FSA at our December 2020 AGM.
- There are 64 supporter group members (and counting)
- 12 Women's Super League representatives, seven Women's Championship League representatives, four National League Premier (North and South) and members across the rest of the pyramid.
- As the women's game grows more podcasts, websites and social media accounts are joining the FSA as associate members.

GROWING INFLUENCE WITHIN CLUBS

We've continued to help set up so many new supporter organisations in the women's game in recent years - member groups in the FSA Women's Game Network with formalised membership structures now have **23,426 members** between them.

Many of those groups are developing strong links with their clubs while seeking to influence things for the better and we have many reps on Fan Advisory Boards and Fan Forums.

SUPPORTERS INVESTING IN THE WOMEN'S GAME

Our supporters groups are also hugely influential in fundraising for their teams and their local communities too.

SUPPORTER GROUP FUNDRAISING

£28,000 to subsidise away travel for matchgoers

£5,000 to provide equipment for a fanzone at women's games

£8,100 into creation of flags and banners

£2,000 in charitable donations

£7,040 on player sponsorship

£1,050 to sponsor local grassroots girls football
